A Crossword for Every Season

Pull up a swing, pour a glass of lemonade and sharpen your pencil.

Eighty friendly crosswords follow the year around: spring cleaning and the flower show, seaside days and the county fair, apple picking and soup on the stove, snow days and cocoa by the fire. Every puzzle has its own cozy theme, so the answers belong together.

The clues are plain and fair: no celebrity trivia, no obscure words, no cryptic tricks. Stuck? Each puzzle has a word bank at the back, and with it the grid fills in only one way.

- 80 themed crosswords in four seasons, 20 in each
- Easy (Spring, Summer) to Medium (Autumn, Winter)
- Clues on the left page, a roomy grid on the right
