Christmas, Kept

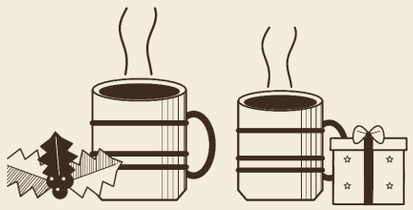

One book. Twenty-five Christmases. A whole family's story.

Twenty-Five Christmases is a keepsake hardcover for writing down the holidays as they happen: who was there, how the tree looked, what was on the table, the gifts, the laughs and the wishes for next year. Each Christmas has its own four pages, with a framed space for a photo or this year's card.

Fill in a few lines every December and, year by year, the book becomes a family history to read aloud by the tree. Detailed black-and-white illustrations of wreaths, stockings, snowy lanes and warm kitchens decorate every chapter.

INSIDE

- Four pages for each of 25 Christmases
- Photo frame, guest list, tree, Christmas Eve and morning
- Gifts to remember, best moment and a wish for next year
- A different keepsake question every year
- Family traditions, Christmas recipes and an at-a-glance list
- A letter to your future family and a gift-ready hardcover
